CURATED INTERIORS RENOVATION AND DEVELOPMENT

For almost 20 years, we've inspired our clients with ideas they wouldn't have otherwise considered or have been able to achieve themselves, whilst managing their project end-to-end.

The home featured, was a blank canvas which our clients found daunting, albeit offering multiple opportunities to create a comfortable yet stylish, contemporary home. We were able to blend cherished pieces of furniture, collected from their travels, seamlessly amongst new and interesting pieces throughout this full home project. Understated elegance was our aim and our client was delighted.

Our One Stop Shop approach, guides clients from early conception, through architectural detailing and planning, building work and all interiors design aspects to finally delivery.

Whether a city home, farm house or new build property, our private client team provides a collaborative and meticulously managed process, ensuring exceptional results for our clients, who return to us time and time again.

CUSTOM LUXURY HOME DESIGN BY: CHRIS TIZZARD ARCHITECTURAL

Chris Tizzard Architectural is an award winning full - service Architectural Practice with a reputation for designing houses of distinction. Since our inception in 1980 we have been recognised for exceptional design of residential projects including new homes, additions, renovations, and historic restorations; including community projects.

The hallmark of our work is extraordinary attention to the finer details of craftsmanship and construction, and a keen eye for scale and proportion. Families and developers trust us with their dreams and visions, and that trust has been rewarded with inspired homes that are liveable, functional and a visual delight, and continue to approach each home as a celebration of accomplishment and an opportunity for a family's memories.

A home with a modern twist has found its place in the Surrey Hills. Stone inside and out, open floor plans, glass to connect the home with the surrounding beauty and
